PERFECT VERSATILITY.

INTRODUCTORY SEASON! Be among the first to choose your destiny with "My Rugged Destiny," the first Rugged Lark foal registered, inspected (First Premium rating) and branded by the American Warmblood Registry. Like his sire, he has the qualities of a champion: natural balance, athleticism and intelligence, and the color, charisma and style that attract a judge's attention in the show ring.

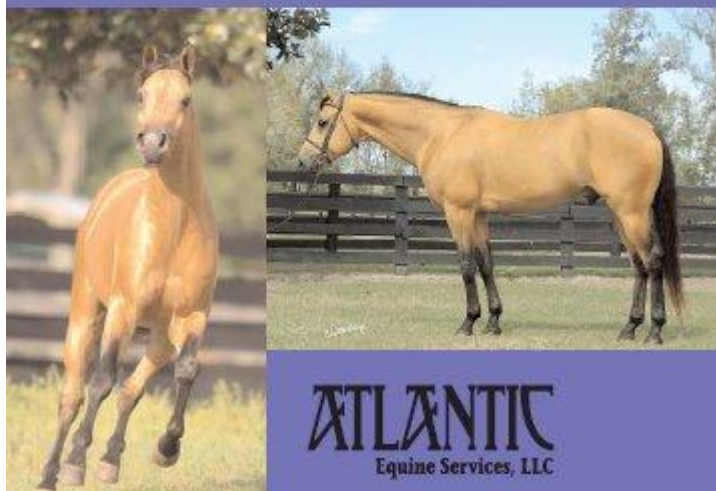

What judges are saying about My Rugged

Destiny: "Intelligent, careful and scopey with the perfect attitude and work ethic." "Elegant hunter type, ground covering canter, gorgeous head and hind end, and wonderful temperament." "Nice horse: very warmblood-like trot: conformation of a good jumping horse."

My Rugged Destiny will add versatile American bloodlines to your sport horse program. Beautiful conformation and movement combined with incredible scope, form, and eagerness over fences make My Rugged Destiny an excellent choice no matter what your discipline! Registered AQHA, AWR, IBHA, ABRA. Incentive Fund Enrolled.

❖ MY RUGGED DESTINY ❖

BACKGROUND

My Rugged Destiny (MRD) is already a winner, beginning his show career at four months old with a top-five placing at a USDF Sport Horse Breeder's show. MRD was the top-placing English horse at the NC Quarter Horse yearling long line futurity.

At his two-year-old AWR inspection (2002), My Rugged Destiny was Champion of his division and site Reserve Champion at Knightdale, NC. He received high marks in greed type and conformation and free jumping. Through his three-year-old year he repeatedly earned champion and reserve champion in hunter-in-hand and showmanship in regional shows. As a four-year-old under saddle, his Introductory Level scores (upper 60's to mid 70's) at his first USDF show earned him the division championship.

Lynn Palm (who successfully campaigned his sire to AQHA Super Horse status) and Cyril Pittion-Rossillon started more advanced dressage and versatility training. Shown successfully by Lynn Palm, My Rugged Destiny scored consistently in the mid to upper 60's at Training Level Dressage under such prestigious judges as Kathy Connelly.

In addition to his dressage appearances, MRD showed his versatility in the 2005 International Buckskin Horse Association World Show in halter, showmanship, disciplined rail, hunter under saddle, hunter hack, and trail classes, where he earned a top-five and two top-ten ribbons.
